

A visa will be required to participate in the trip to China.

In order to get a visa, an application, two properly sized photos (2"x2") and a passport (valid through May of 2009) must be presented to a Chinese Embassy.

The Genesee County Chamber of Commerce will do this for you by accumulating the required documentation and sending it to be processed for a fee of \$160 per traveler. This information should be provided to the Chamber by October 1, 2008.

If the Genesee County Chamber of Commerce processes your visa, the only parts of the application that need to be filled in are:

- First and Last Name (same as on your passport)
- Address
- Date of Birth
- Signature

We will take care of the rest. The Genesee County Chamber of Commerce mailing address is 210 East Main Street, Batavia, NY 14020.

It takes 10 business days to process a visa once sent in and you will have your documentation in hand prior to leaving home.

Some travelers have inquired about travel/trip insurance. We recommend you work directly with a travel agent for this insurance.

If you have any questions, please feel free to call the Chamber. 585-343-7440
