INTRODUCING THE METRODATA DIFFERENCE

As an employment screening company located in Buffalo, New York, we understand the importance of partnering with and supporting upstate New York businesses and organizations. For over 12 years Metrodata Services has been a leader in providing verification services to various human resource departments both locally, nationally and internationally. Because we are fast, accurate, reliable and flexible, our customers depend on Metrodata for all their employment verification needs.

As an innovative company, Metrodata has proven to its clients that our services are exceptionally adaptable to their needs. The most vital service we offer to our clients is our ability to respond quickly and successfully to the unique challenges our customers face. Our success in this area is a hallmark of Metrodata's service philosophy and it is what sets us apart from other vendors.

We thank you for allowing us the opportunity to provide you with the following information on our special offer to Amherst Chamber members. For the past 12 years, our customers have come to realize that there is a difference in background screening service providers. We invite you to experience the *Metrodata Difference* firsthand.
